### LA Bridal Concierge favorite Wedding Planner named among TOP 5 in Los Angeles! Congrats Bella Vita Events!

Hello Everyone! Some wonderful news! One of my most favorite Wedding Planners in Southern California, Deborah James & Nikki Keller from Bella Vita Events, were named among the TOP FIVE 2009 MY FOX LA Wedding Planners in Los Angeles. Deborah James, founder and owner of Bella Vita Events, and her talented team are most deserving of this nomination and recognition. Every Wedding produced by Bella Vita Events is seamless, innovative, and possesses a unique quality and signature that

has propelled Bella Vita Events into a small group of elite Wedding Planners in Southern California. You may visit Bella Vita Events at; [www.bellavitaevents.com](http://www.bellavitaevents.com) & let Deborah and her staff know that LA Bridal Concierge sent you! Deborah will allow you to be a guest at your own event! One quick side note; most of Deborah's productions get published in luxury Wedding and Event Magazines! Perhaps YOUR event could be the next one published as a Bella Vita event!
